

Team Meeting Agenda
(date)

Dear God, I ask You to fill us with Your Spirit. Thank you for allowing us the time to meet together this morning and encourage one another. Give us Your wisdom that is from above. Open our minds to the ideas of others and open our ears to hear the words of others. Lord you know our goals this year include _____. We know to ask and it shall be given unto us. We want to glorify you in every stitch, post, package and email. Allow us your spirit of pursuit, kindness, generosity and creativity to share with everyone involved in ____ (business name) _____. We seek to make our customers heroes in their own lives. Help us know this is more than purses, this is changing women's lives in their messages to themselves. They will become more confident and creative just by allowing us to help them. You are equipping them to do Your work. Help us pursue them with them right motives. In the mighty name of Jesus Christ, Amen.
